Exhibitor Prospectus

Position Your Company in front of Pediatric Sleep Professionals

IPSA ONLINE 2022 will provide an opportunity for physicians, clinicians, basic scientists, clinical investigators, educators and sleep health advocates from around the globe to present the latest cutting-edge research and explore innovative solutions to current challenges in pediatric sleep.

The International Pediatric Sleep Association (IPSA) operates exclusively for scientific and educational purposes and meets every two years. The last IPSA Congress was held virtually in February 2021. We look forward to meeting in person in 2024!
